The Springs Trap On The Demos

WASHINGTON, Feb. 25—The \$100 million appropriations bill for the campaign fund of Senator Frank Case (R., Dak.) is being introduced by the Senate today. It is a bill that is not only a money bill but also a political one. It is a bill that is not only a money bill but also a political one. TRUCK WEAR ON HIGHWAYS

It was a wise move when Mr. Eisenhower named a new special assistant to handle the nation's aviation facilities. Such planning constitutes one of the country's really critical needs.

MUST WE CARRY THE DISC?

The Democrats are not so fortunate. They have to have a candidate, they have to remain a party and no matter how hard Mr. Truman is, he is not making the grade because it is so clear that he has no support, as those of us who supported Bob Taft discovered.

It is soon to be discovered that the Democrats might listen, after it stands by the Democrat candidate, the Italian hand, Carmine DeSapio, who seems to be so sure that the Democrats will win that it does not become a Socialist Party in 1960 as all the ambitious young men realize. He, Carmine, has his own hands full. He is not making the grade because it is so clear that he has no support, as those of us who supported Bob Taft discovered.

If (Gov. Frank) Lausche continues to refuse to discuss the issue, I will go to the 19 in front of a vacant chair which will represent Lausche—Sen. George Bender (R-O), after Democrat Lausche turned down his request for public debate on their upcoming race for the U.S. Senate.
