...note from the Holy See and a message from Pope Pius XII to the Argentine people.

Calvin returned to the country
...after an outbreak of fighting at scattered points yesterday during the celebration of Leonard's Inauguration. The news indicates that a second largest city where unofficial reports said 12 to 18 were

Paraguay Ambassador Juan
...called at the Foreign Ministry today to present formal application for a safe conduct pass permitting Paron to travel to Assuncion. Paraguay's capital city under Latin American diplomatic practice, is automatically granted a passport when Paron's departure could be denied only if the revolutionary government intended to try him for some crime. He normally would not be subject to trial for political offenses.

increased in Alabama, and he believed that the controversy over the new law had helped by calling attention to it.

When the body was found, a 70-pound cotton gin exhaust fan was attached to it as a weight. There are so many cotton gins in the Delta that it might have been impossible to trace this fan.
