

Posoms's Views Segregation

Posoms said yesterday he would be a candidate for delegate this time. He said he would not be a candidate for delegate this time. He said he would not be a candidate for delegate this time.

RUINS OF JAPAN'S WORST FIRE SINCE WORLD WAR II—This is the smoking wreckage, Saturday, of what the day before had been the busy shopping center of Niigata, Japan, a city of 250,000. A great section of the city was destroyed by a worst fire since the B29 bombers of World War II. Flames that swept across the city, whipped by winds, destroyed 1,200 buildings in their first seven hours of fire.—(AP Wirephoto).
