Mystery Was 'Just For Fun'
DETROIT (AP)—The mystery of the homestead home set off near the home of Recorder's Judge W. McKay Skillman Tuesday night has been solved, police said today.
Detectives quoted a 15-year-old boy who lived in the judge's night neighborhood as saying he did it "just for the fun of it."
The boy told police he made the bomb from a six-inch lead pipe studied with chemicals taken from a high school laboratory. It did not serious damage. He was ordered to report with his parents to the youth bureau.
