The World Today: The Cain Mutiny? It Looks That Way Today

By JAMES MARLOW
Associated Press News Analyst
WASHINGTON (P)—Latest political puzzle: Harry P. Cain, one of the most conservative Republicans and a supporter of Sen. McCarthy (R-Wis) while he was in the Senate from 1947 through 1953.

Yellow Fever Breaks Out In Mexico State

MEXICO CITY (P)—A health official says yellow fever has broken out in the south Mexican states of Tabasco, Yucatan and Chiapas and has taken several lives.

Negroes Back Dimes March In Florence

Prof. W. H. Lewis, Chairman of Negro activities in Florence for the 1955 March of Dimes, reported that they started the March of Dimes with the same spirit.

Quizzing The Gardener

Several lupines planted last summer were lovely until they got infested with long brownish worms. What is the best spray that could be used to control these pests?

limit the treaty power of the President.

Cain was for declaring war on Red China during the Korean War. He wanted to blockade the China coast. He wanted to use tactical atomic weapons in Korea.

During the January 1954 March of Dimes Drive \$20.00 was received through Burrell School.

With the interest being shown this year, Prof. Lewis feels that contributions should exceed 1954. Mrs. Lewis is in charge of the Mother's March to be conducted on Friday night, Jan. 28 from 7 to 8 p.m.

Q—Grapes vines are aphids and how to stimulate growth?

A—Year-old grapevines seldom produce fruit—do not be in a hurry. For the best information on grapes write or phone your local county agricultural agent and ask him for the free bulletin on "Fruit in the Home Garden." They are well written and well illustrated.

Q—Could you please tell me what is wrong with my Oregon holly?

The leaves are all turning brown. A—Since it is only the tip growth that is damaged, I suspect that sucking insects partial to the barberry family. Repeated spraying with black-leaf 40 or lindane two or three times at 10-day intervals in June, and again in August, will get rid of the pest.
